Objective:

I am an enthusiastic web developer with experience in Django, React, and Bootstrap for building dynamic applications. Skilled in full-stack development, MySQL database management, and RESTful APIs. Developed projects include an e-commerce platform, a movie database app, and an AI-powered hand sign detection model using YOLOv5. Passionate about creating seamless user experiences and efficient full-stack solution.

Education:

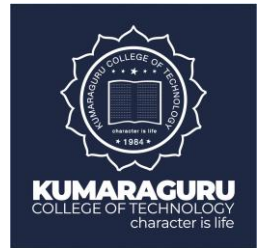

- **2022 - 2026**
B.E. Computer Science Engineering
Kumaraguru College Of Technology.
CGPA: 7.94
- **2020 - 2021**
Y.R.T.V matric Hr Sec School
HSC percentage: 90.6%
- **2018 - 2019**
Y.R.T.V matric Hr Sec School
SSLC percentage: 93.4%

Soft Skills:

- Problem Solving
- Critical thinking
- Leadership
- Communication and Collaboration

Technical Skills:

- **Programming Skills:** Python–[LeetCode](#) C++ Bootstrap Java JavaScript C programming
- **Web Development:** Django React NodeJs, MongoDB
- **Artificial Intelligence:** Deep Learning

Project:

Bookshop Management System:

I have created a bookshop website using programming languages such as html, CSS, Django to develop the website

E-commerce Website Development:

Developed a full-featured e-commerce website using **Django** and **MySQL**. Implemented **user authentication**, allowing customers to add items to the cart and favourites.

Movie Database App:

Developed a movie database application using **React**, **Bootstrap**, and the **TMDB API**.

Hand Sign Detection Model:

Trained a **YOLOv5-based model** for real-time hand sign detection.
Implemented **webcam live detection** to recognize and predict hand signs like "Thanks," "Please," "Hello," and "Yes."

Certification:

- Attended Robotics and Drone automation Workshop
- Attended 3D printing Workshop
- Completed a certification in Python
- Completed a certification in Excel for Beginners
- Completed a certification in Database Management System
- Completed a certification in AWS Academy Cloud Foundations

Personal Interest:

- Hackathons & Tech Competitions
- Volunteering
- Continuous Learning & Skill Development

Languages Known:

- Tamil
- English
- Hindi
